

VISION, MISSION, AND VALUES POLICY STATEMENT

Our Vision Is

To build, operate and maintain a world-class fleet of FPSOs/VPUs to serve the needs of the oil and gas industry.

Our Mission Is

To maximise the economic recovery of Oil and Gas developments by providing innovative and cost-effective solutions.

Our Values Are

Safety Safe, reliable and compliant operations that do not cause harm to people or the environment

Integrity Trusted Knowledge, experience and expertise, ensuring we deliver on our promises

Versatility The ability to adapt to situations and meet the changing needs of our clients

Innovation Creative, progressive solutions evolved from proven technology

Reliability Delivery of projects on schedule, within budget and without risk to people, the environment or assets

The Amplus Vision, Mission and Values will be communicated to all staff and be available to the public. This document will be reviewed every two years to determine if it remains suitable and operates as intended.
